Our Oktoberfest Mixer at Frogtown Brewery was exceptional!

On September 25, Tim & Johanna, Ani, and Ever (from three shops) represented ASCCA Chapter 5 at the “Exploring Division Car Show” at Santa Anita Park. They met with youth who are interested in cars and a career in automotive tech. Here’s the letter of gratitude. We gave a donation to the Boy Scouts (the event host) so we could participate. Participating in events like this is a great way to meet the next generation of techs and introduce them to the value of working in Independent Shops. We’ll let you know of future events so you can join in.

ASCCA Foothill Chapter 5 Member Benefits

In addition to the State-wide benefits shown in the “ASCCA Advantage,” these are additional benefits available to Chapter 5 members.

- 1. A VERY LOUD POLITICAL VOICE.** Individually, there isn't much we can do to shape legislation which will affect our industry, but collectively, our united voices are STRONG, LOUD AND FOCUSED. Politicians and elected officials in state, county and city governments listen to ASCCA when we talk, because we represent hundreds of members (& thousands of voters!) statewide. Often, the Bureau of Automotive Repair discusses with ASCCA rules and regulations under consideration to see how they will fit in the real world of automotive repair.
- 2. SHOP TO SHOP NETWORKING.** Our members don't see each other as competition but as comrades in the industry, helping each other to succeed. If you have a problem you can't figure out, call one of our members who specializes in that area. They'll be glad to help you out.
- 3. INFORMATIVE MEETINGS.** We hold Dinner Meetings on the first Tuesday evening of each month. Our meetings offer great speakers, camaraderie, valuable information, and the latest news on what's happening in the automotive repair industry. You also get to network with other shop owners and exchange ideas, tips, techniques and short cuts. The monthly meal is included in your dues, plus we have a long-standing special where you can bring your spouse or business partner at no charge! Our Chapter Board of Directors schedules our programs and welcomes any suggestions you have on good speakers! Contact the chapter office with your suggestions. For the location and current speaker, look on the last page of this newsletter.
- 4. CHAPTER SEMINARS.** The Foothill Chapter Board of Directors and our Seminar Committee Chair, Tim Chakarian of Bimmer PhD, keeps us informed on seminars on business management and technical subjects for our shop owner members and their technicians. **Cost is minimal and often free.** This is a tremendous member benefit for you and your employees! Give Tim your ideas and suggestions for seminars & we will try to schedule the seminars you want. (626) 792-9222.
- 5. MONTHLY E-NEWSLETTERS.** We send out an environmentally-friendly monthly email newsletter with helpful and informative articles, tech tips, contact lists and information, upcoming events, reports on recent events and vendor ads & information.
- 6. THE FOOTHILL CHAPTER WEBSITE.** This Foothill Chapter website at <http://www.ascca5.com/> lists members by city. It also lists upcoming seminars and meetings. Contact Joseph Appler at ascca.05@gmail.com with questions or suggestions for the chapter web site.
- 7. CHAPTER JOB BANK.** The Foothill Chapter has established its own Job Bank Network for member shops. If you have a qualified applicant you can't use, or if you need to hire someone, send a summary email to ascca.05@gmail.com & your information will be forwarded to the entire Chapter 5 membership.
- 8. CHAPTER ASE LENDING LIBRARY** Call Darren Gilbert at (626-282-0644) or email him at gilbertmotors@yahoo.com for more information.
- 9. CHAPTER SOCIALS.** Our Socials Chairman, Jack Scrafield (818) 769-2334, arranges outstanding social events for us throughout the year. We've visited JPL, the J. Paul Getty Museum, had many “Day at the Races” at Santa Anita Race Track, toured the Autry Museum of Western Heritage, taken a murder mystery train ride including a delicious dinner, attended the races at Irwindale Speedway, had bowling dinner parties at Montrose Bowl, had several excellent parties, and toured the J. P. Nethercutt Collection of beautiful classic automobiles. Jack would like to hear from you with your suggestions for future social events.
- 10. ASCCA NET PRESENCE.** ASCCA has established a home page at <http://www.ascca.com/> The ASC web page has three target audiences: 1) ASC members now have a quick, easy reference on their computer to keep them abreast of what is occurring in the state association and within the automotive repair industry; 2) California shops that are not ASC members can learn more about the advantages of being an ASC member; and 3) California consumers looking for honest, reputable repair facilities can find a list of ASC members quickly and easily on the ASC web pages. All ASC members statewide are listed. Soon, your shop website will be able to have a link on the State site.
- 11. FREE CPA CONSULTS.** All ASCCA Chapter 5 members are entitled to a half-hour of free telephone consultation each month from chapter member Norm Blieden, CPA. The service is not limited to shop business though Norm has extensive experience in shop-related matters. This member benefit can save you a ton of money and a lot of headaches. Call Norm at 626-440-9511.

Why try to succeed alone, and re-invent the wheel? Partner with others on the same path and learn from them, as well as teach them what you have learned. If you have questions about how to access these benefits, contact the Chapter 5 office at ascca.05@gmail.com. or 626-296-6961.

What We Do For You:

ASCCA monitors and fights harmful laws and regulations that cost you money and time away from your business.

Examples:

A legislator proposed a bill to use a grading system (ABCDF) like the restaurants. We fought this and stopped it.

Another legislator tried to change us into being debt collectors because we receive money from customers. That would mean if a customer did not pay and we called them, the customer could sue us for harassment. We fought and won this also.

We also stopped a bill that would keep us from being able to program security systems in cars. The manufacturers wanted to lock us out! Again, we fought and won.

Our state legislatures can produce 5600 bills every two years. Our dues help us watch and fight these bills, saving you a ton of dollars.

ASCCA has great benefit programs:

Low credit card rates and a \$350 rebate at the end of the year.

Free legal advice for you, your business, or your employees.

Free accounting review of profit and loss statement.

Free review of any current or prior year's taxes.

Super discounts on uniforms.

Discounts on Alldata and Identifix.

Camaraderie, fellowship, and life-long friends.

Network with top shops.

Get advice with business structure, policies, and profit ideas.

Get second opinions on cars that are giving you fits.

Education opportunities:

We periodically have free training for service advisors and technicians.

ASCCA awards scholarships to young people to help fill the technician shortage.

Why we need you:

Meet and network with top shops.

Monitor and fight harmful legislation.

Support our great partners and save money.

Support and give back to our industry.

All this for \$70.83 per month!

ASCCA

Keeping California Independent Shop Owners in Business Since 1940

The Automotive Service Councils of California has been the foremost advocate for the aftermarket auto repair industry since its inception. Whether you have been a member for a long time or you are just getting started, ASCCA has your back.

As a member of ASCCA you are on the forefront of issues that keep you informed about regulations and legislation affecting your business. ASCCA members have successfully, through our grassroots campaigns, been an active voice for the future of auto repair in California.

Some of our Accomplishments:

ASCCA members were part of the design team that created the OBDII connector simplifying modern vehicle diagnostics.

ASCCA members successfully fought for and won legislation (SB1146) that created the first in the nation "Right to Repair" act.

ASCCA members successfully fought for and won the elimination of damaging, frivolous lawsuits (Trevor Law Group) which tried to extort money from shop owners.

ASCCA Members fought and won against the California Air Resources Board, squashing the vehicle super-warranty.

ASCCA is the only state organization that sits on the national board of NASTF (National Automotive Service Task Force) which provides factory repair information to the automotive aftermarket.

ASCCA members fought and defeated SB 750 (the key code lock-out bill) which would have excluded independent shop owners' access to vehicle communications.

ASCCA fought and defeated legislation (SB 993) which would have extended sales tax to vehicle repair labor services, and unnecessarily increased repair costs.

ASCCA defeated legislation (AB 2825) which would have treated auto repair dealers as "debt collectors," making all communications with customers subject to fines and frivolous lawsuits.

ASCCA opposed and defeated legislation (AB 755) which would have increased the current \$1.75 tire tax fee to \$3.25 per tire.

ASCCA supported and helped pass legislation (AB 3141) which included all unlicensed automotive maintenance service providers and other previously exempted repairers under BAR jurisdiction, creating a level playing field.

ASCCA supported and helped pass BAR regulations that allow auto repair dealers to provide customers with electronic estimates and authorizations (e.g., text messages).

ASCCA opposed legislation (AB 2454) which would have created a state mandated "grading system" similar to restaurants.

ASCCA maintains a seat on the Bureau of Automotive Repair Advisory Group Committee which meets on a quarterly basis in Sacramento and has a voice on regulatory matters impacting the industry.

ASCCA members believe in "raising all boats," and actively help each other to achieve success.

This is just a partial list of legislative accomplishments ASCCA has done for your business. The question should not be, "How can I afford membership?" but rather, "How can I do without ASCCA for my business?"

- Timely communications regarding what’s going on in the industry.
- Access to seminars & classes at an ASCCA discounted rate.
